1<sup>er</sup> EPISODE

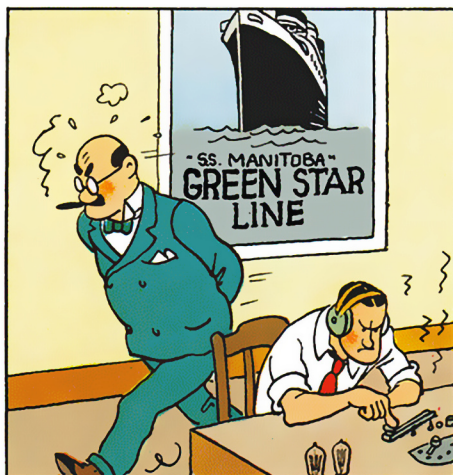

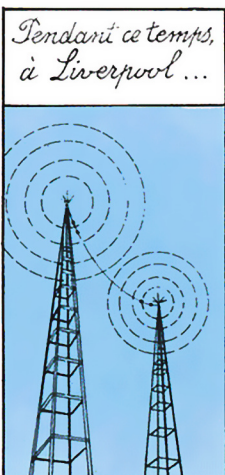

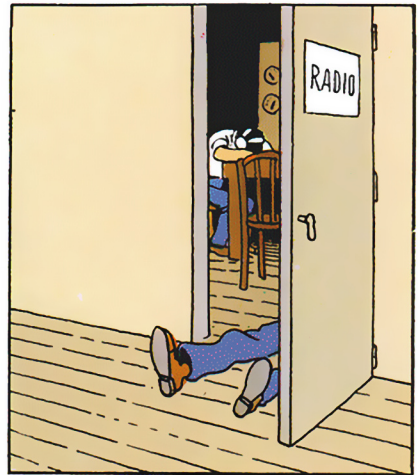

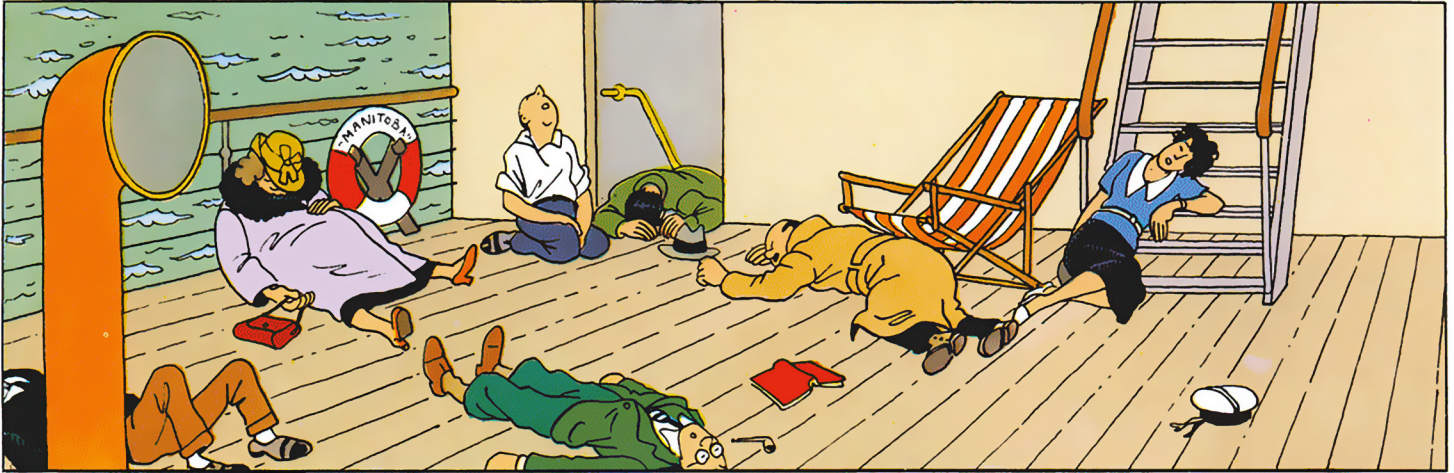

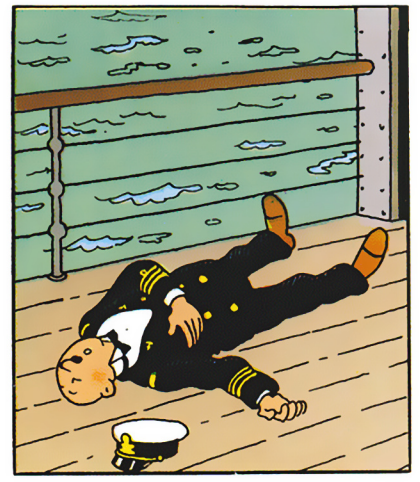

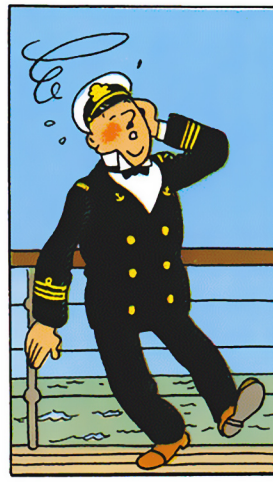

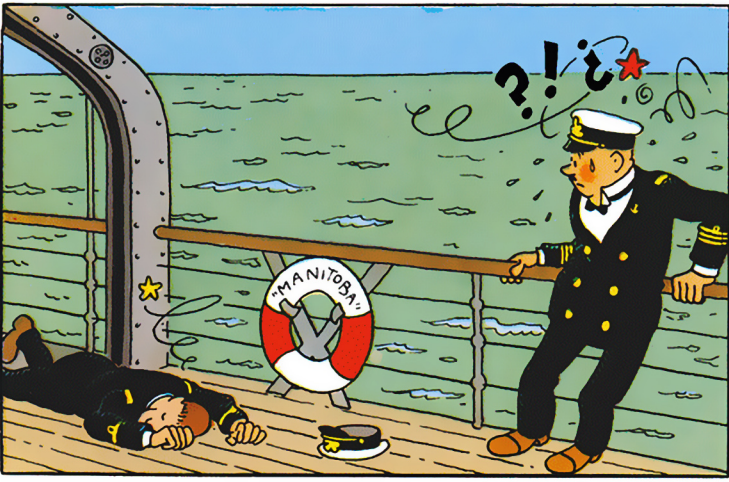

# LE "MANITOBA" NE RÉPOND PLUS

Pendant ce temps, à Paris, chez les parents de Jo et Zette...

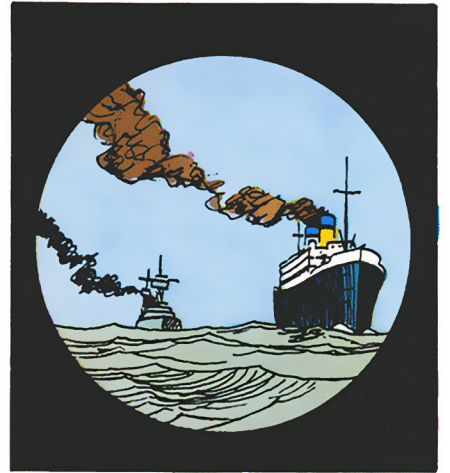

Patience, Zette!... Notre message aura été entendu... Dans quelques jours, nous serons délivrés...

Trois jours plus tard le "Washington" sous la protection du croiseur "Eagle", est en route pour l'Europe...

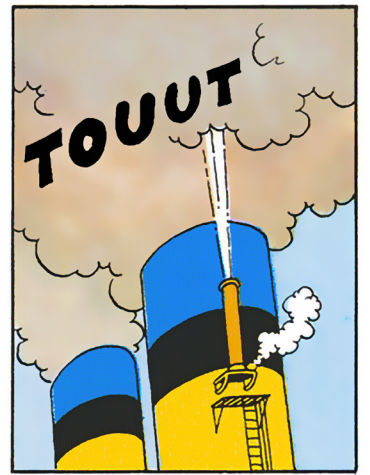

Pendant ce temps, à bord du sous-marin pirate...

Le voilà!... Bigre!... Il est accompagné d'un croiseur!...

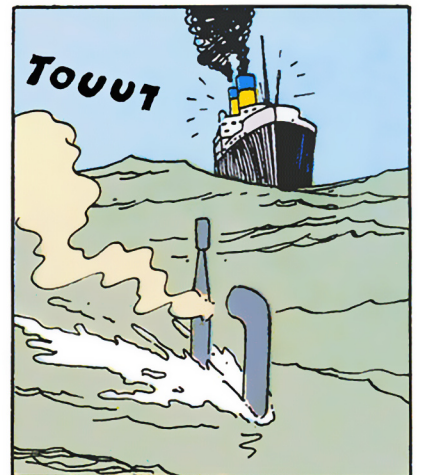

On ne sait jamais, bien sûr... Mais je ne pense pas qu'ils auront l'audace de s'attaquer au "Washington" alors que nous sommes à proximité...

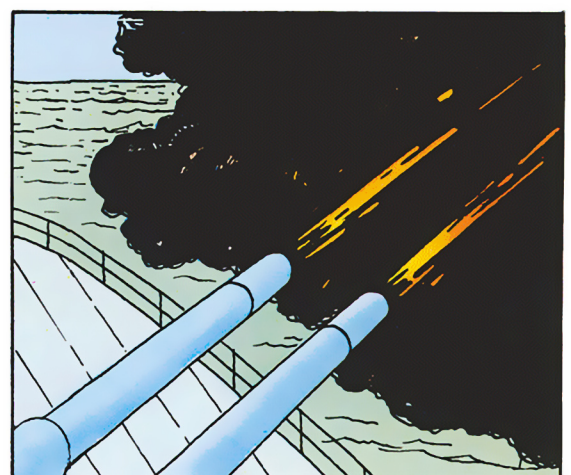

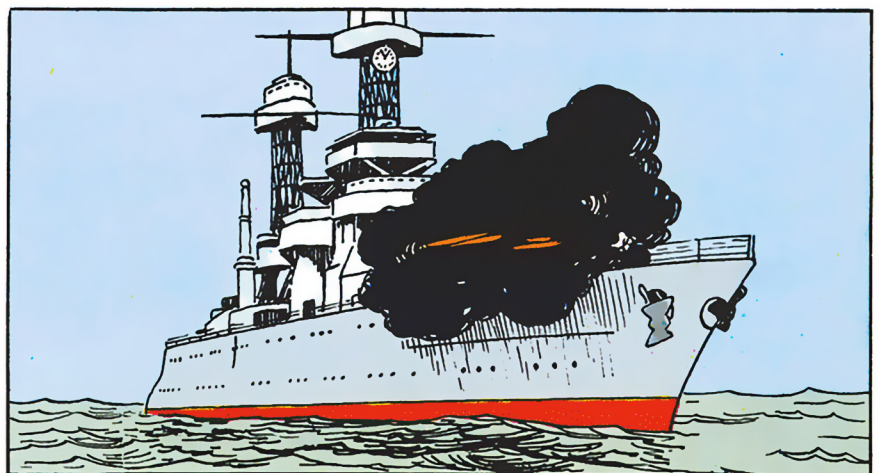

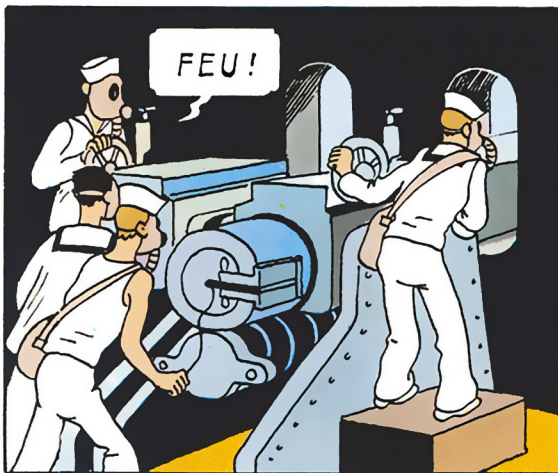

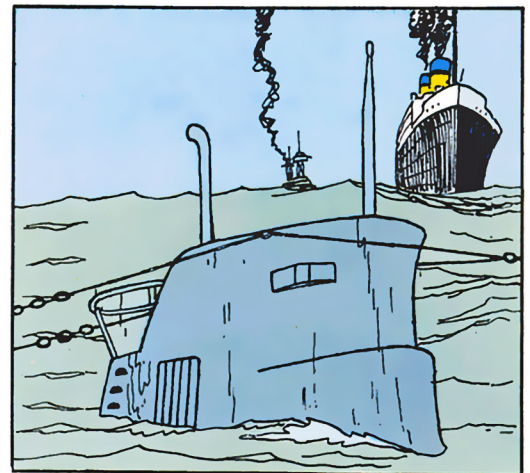

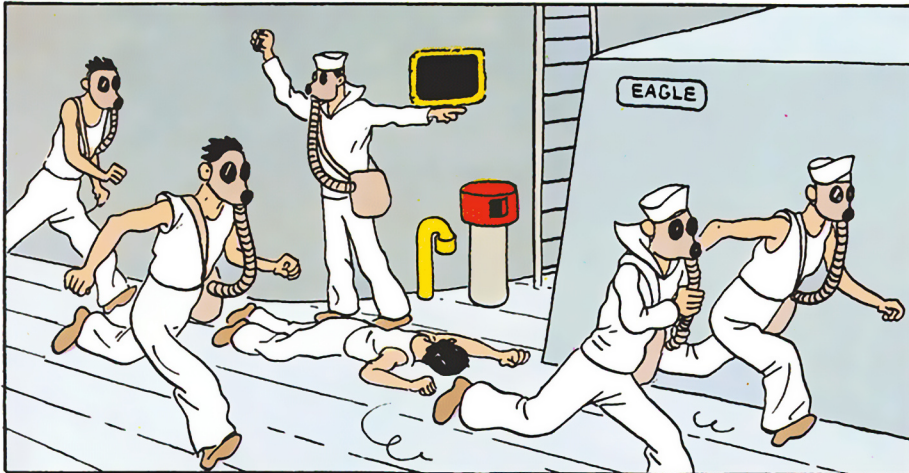

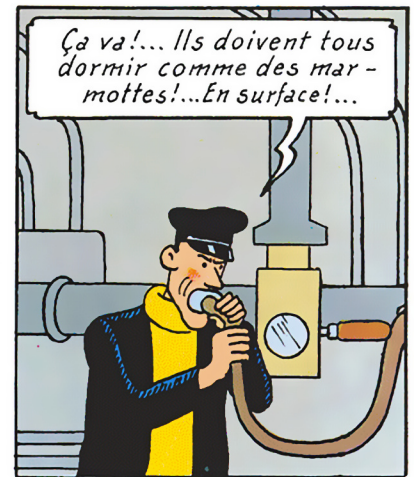

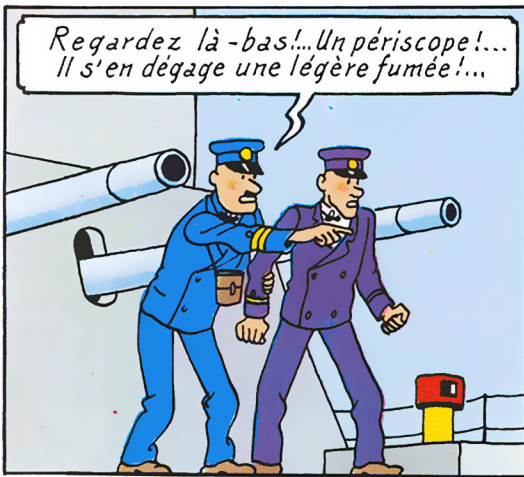

Nous allons rire!... Allo!... Rayon "V"!...

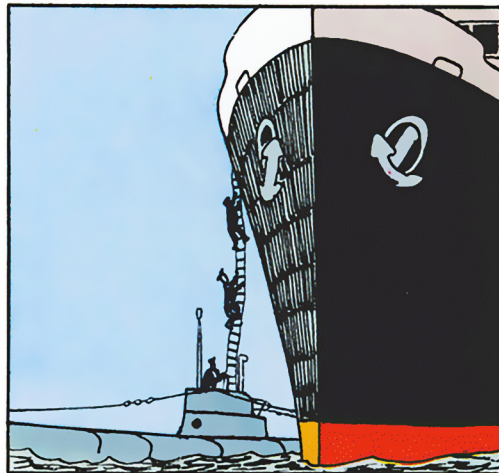

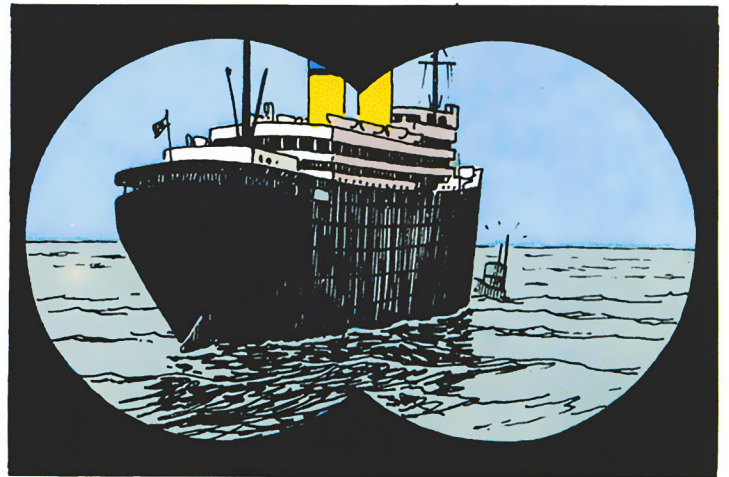

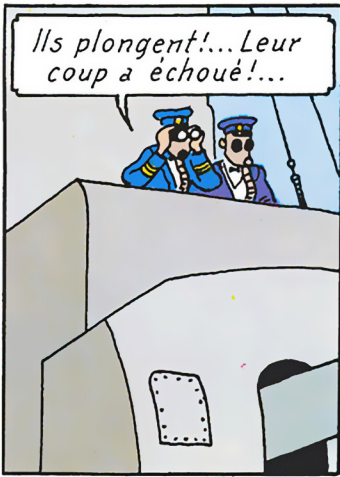

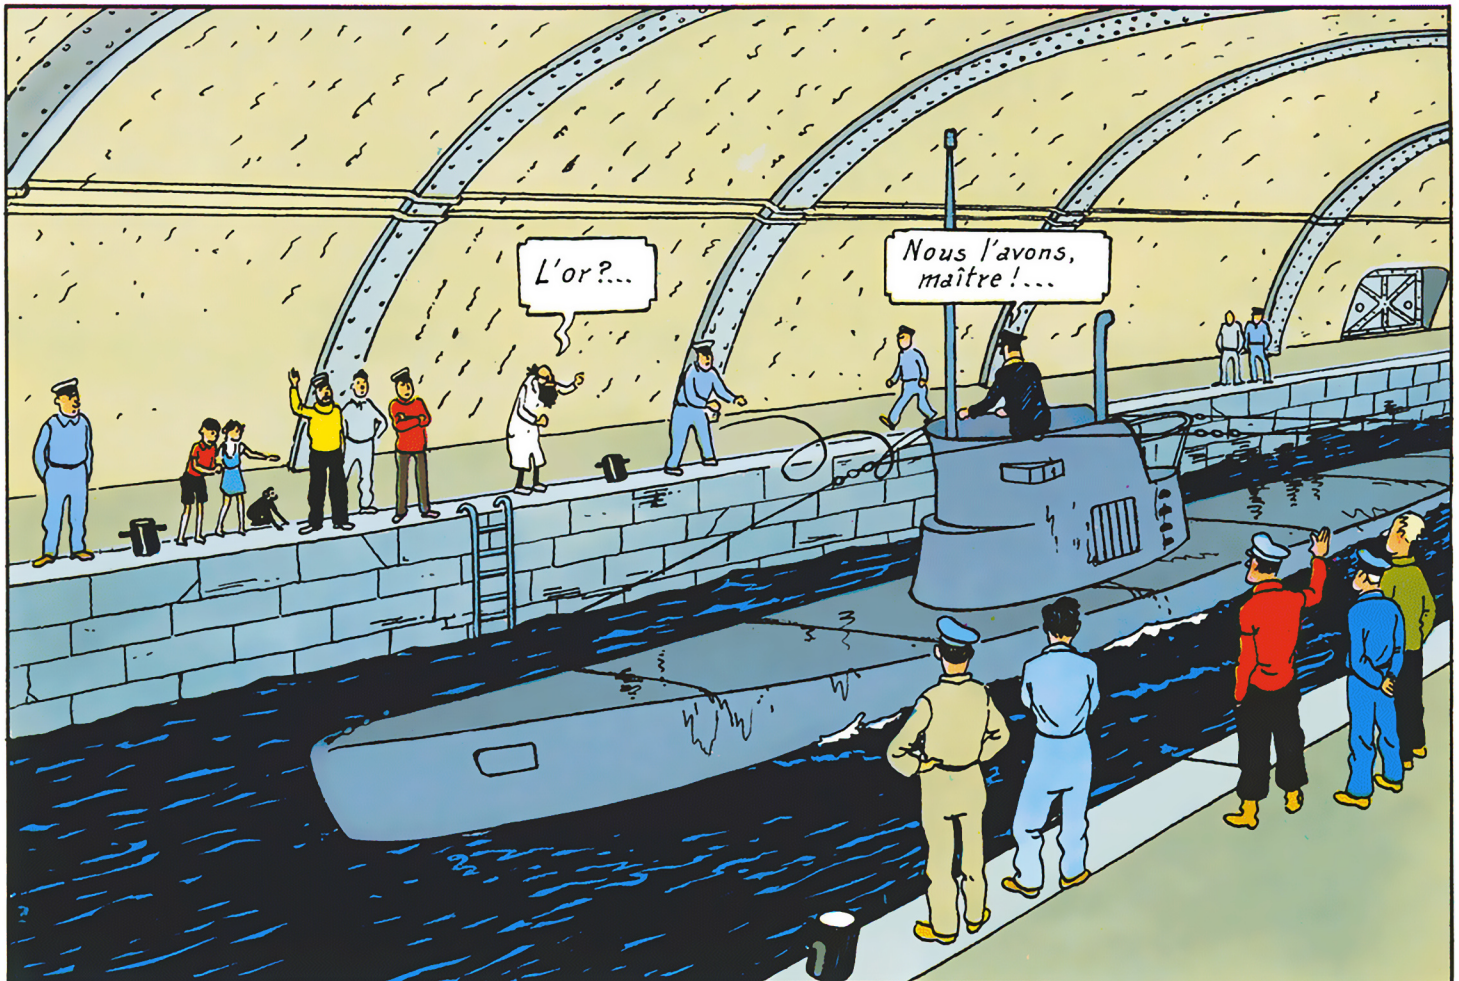

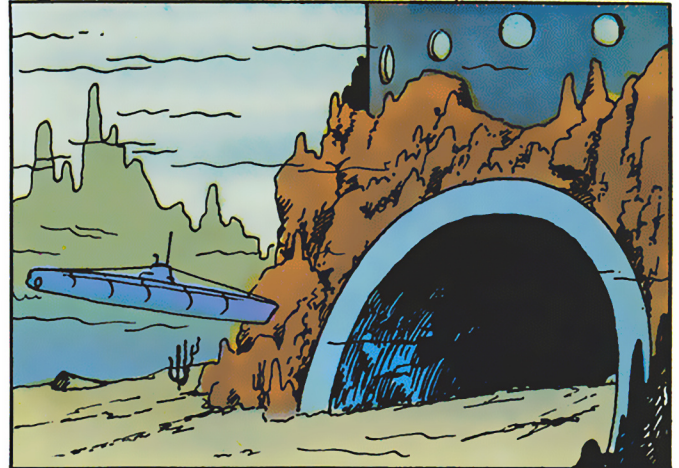

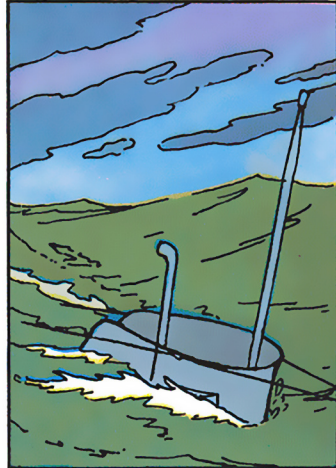

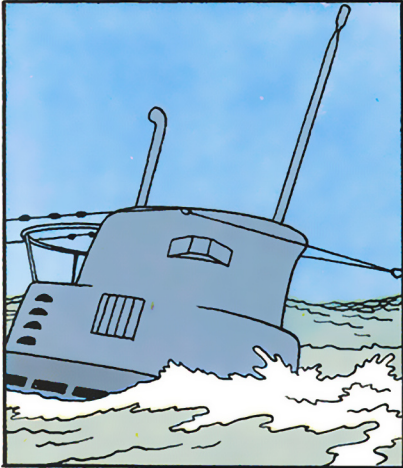

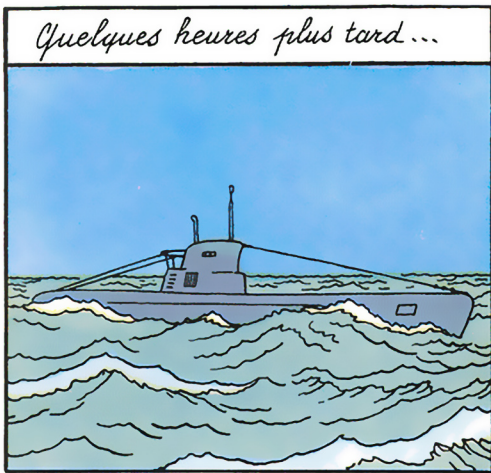

La sirène du "Washington"!... Leurs machines sont arrêtées!...  
Et les nôtres s'arrêtent aussi!...

Et maintenant, le "marchand de sable"...

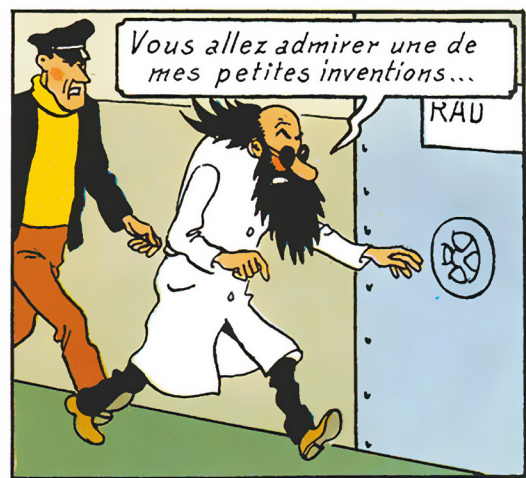

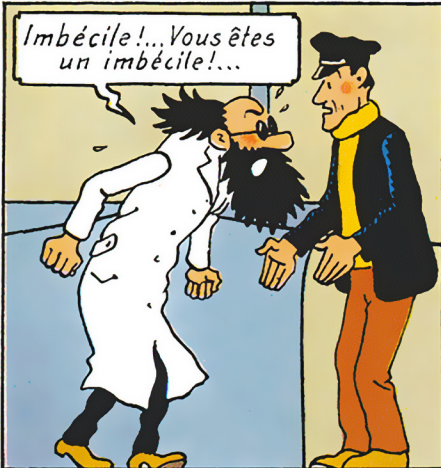

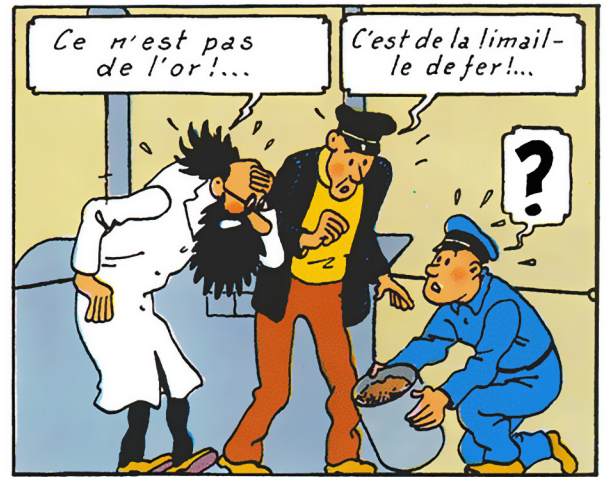

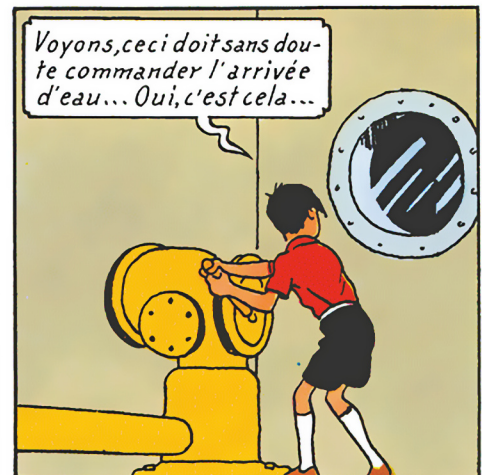

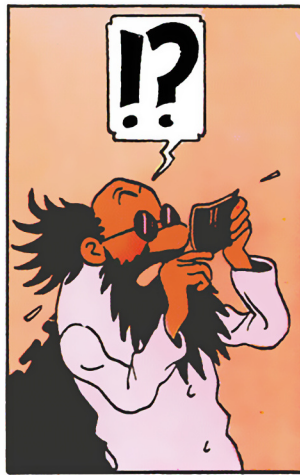

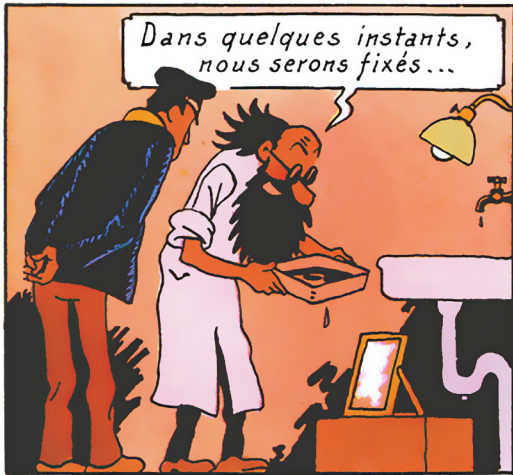

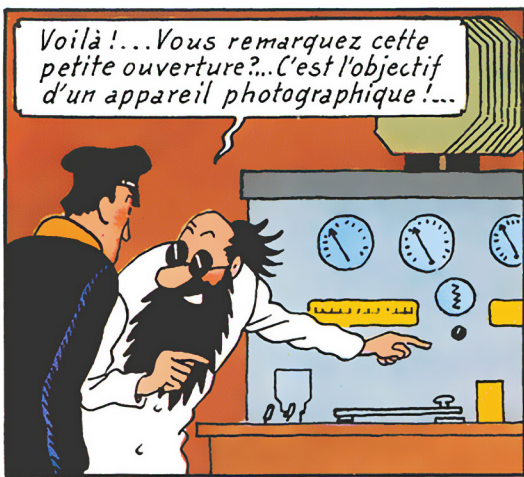

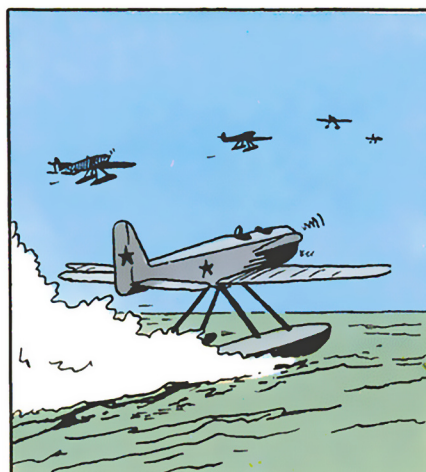

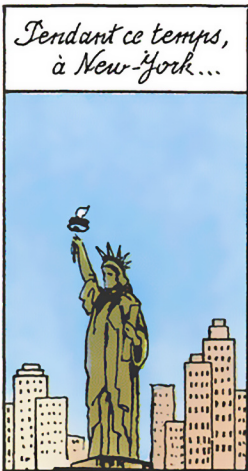

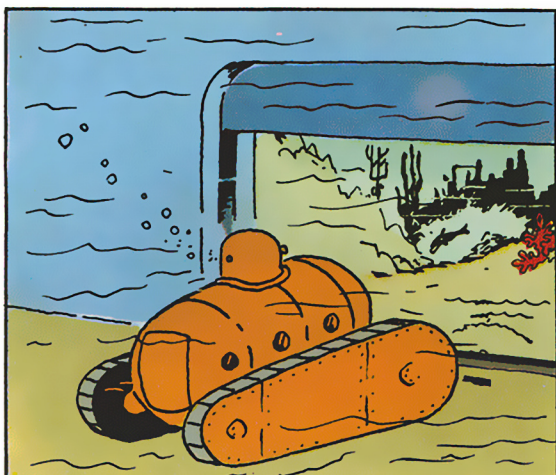

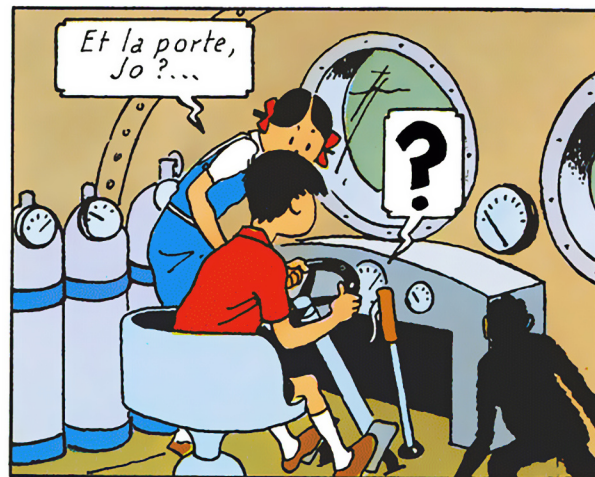

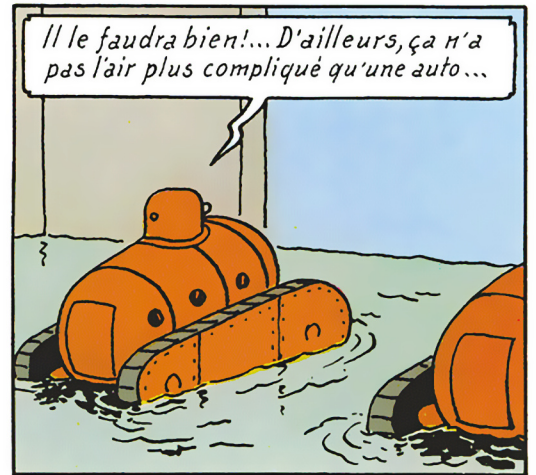

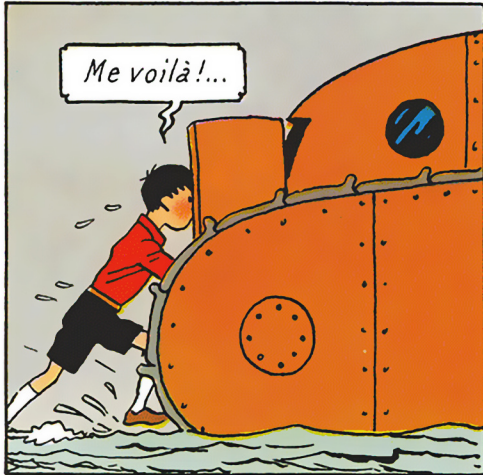

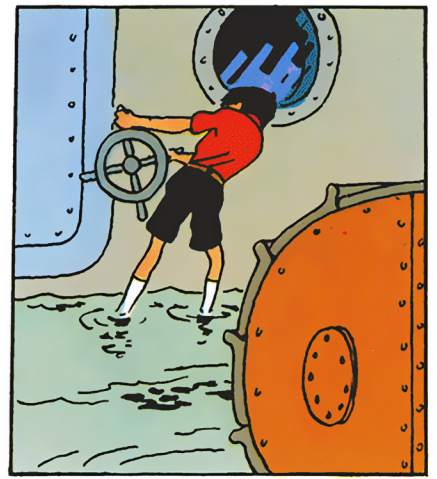

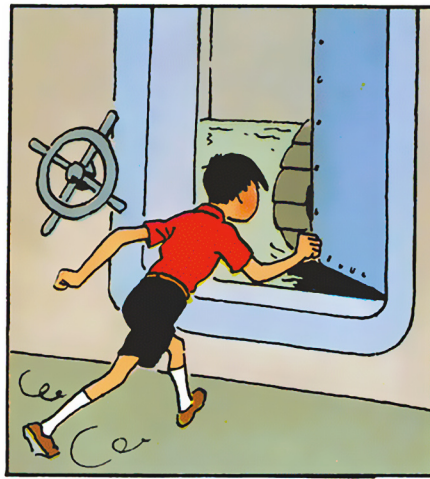

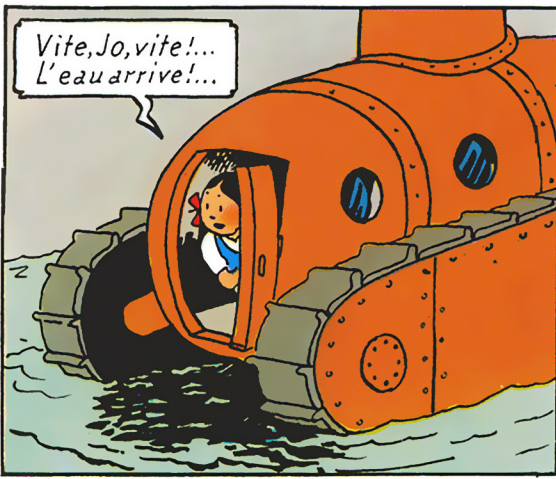

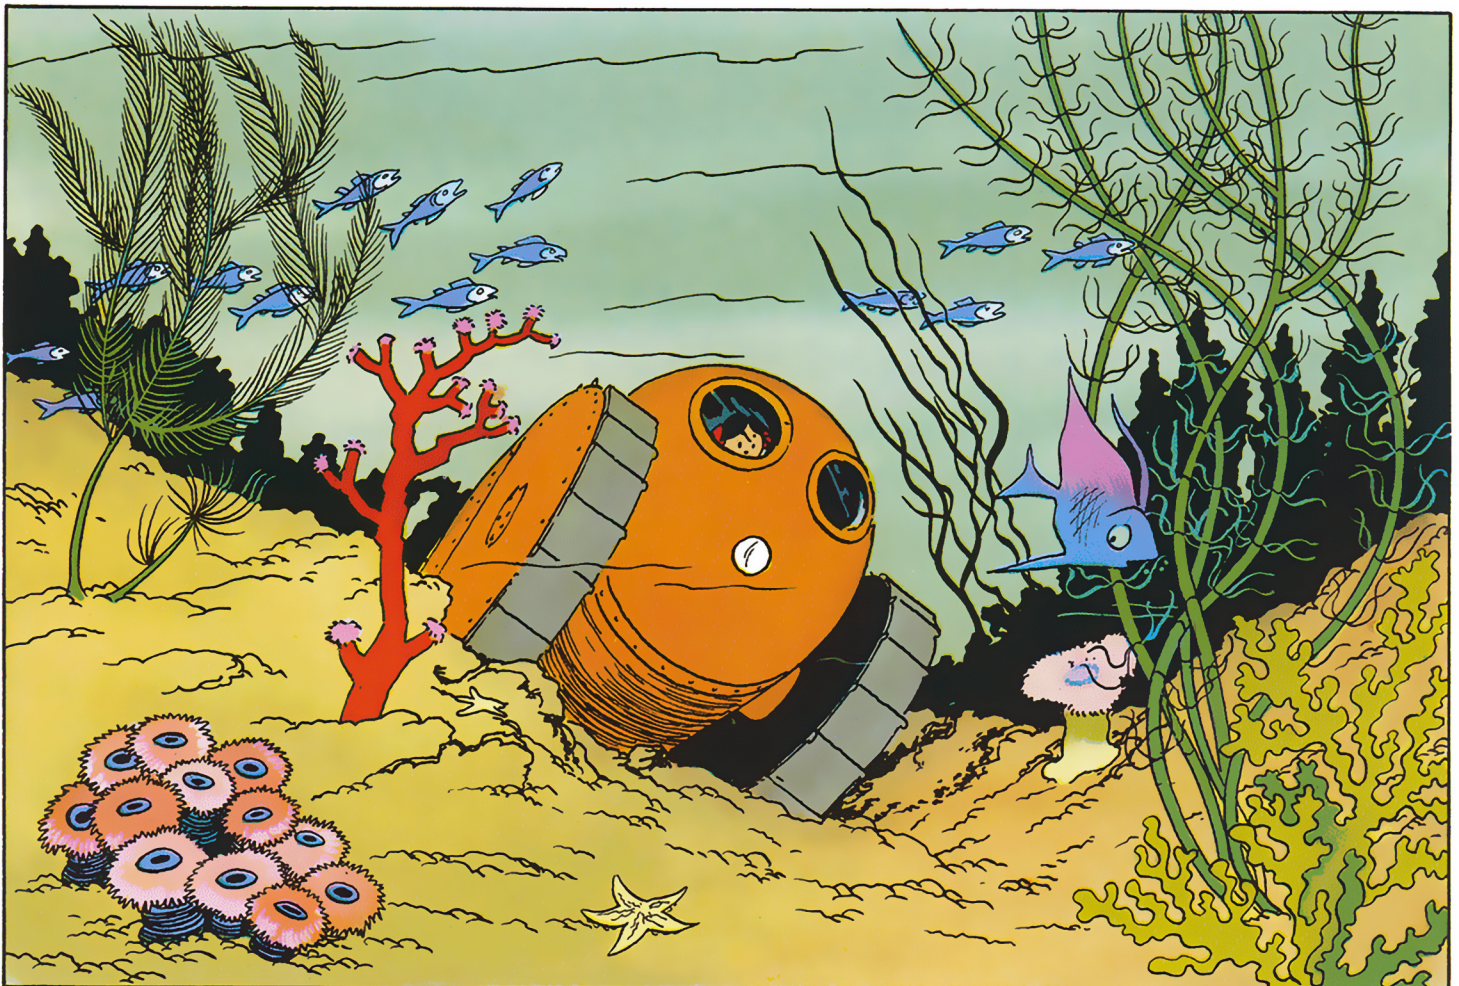

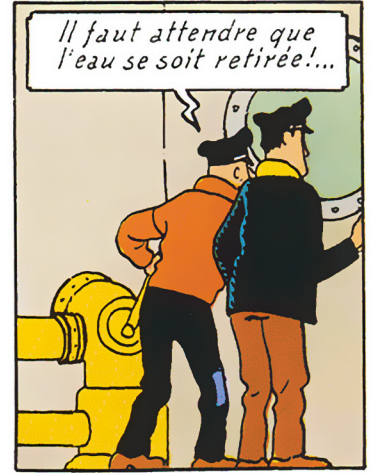

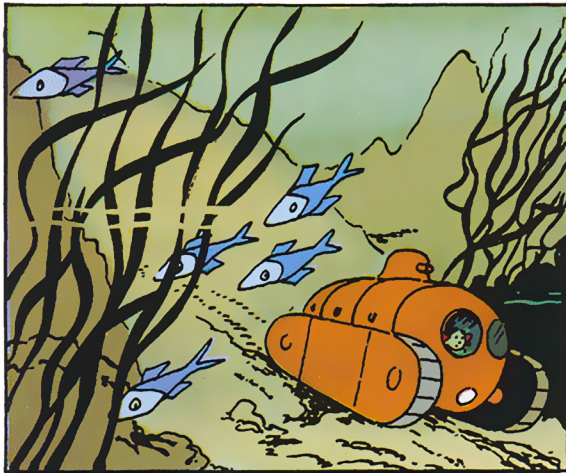

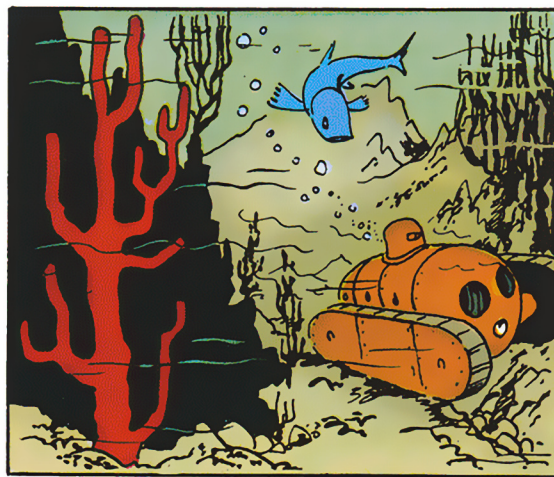

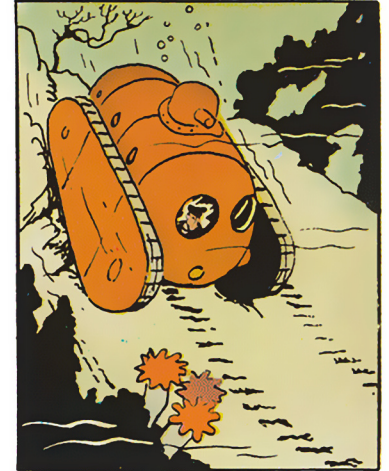

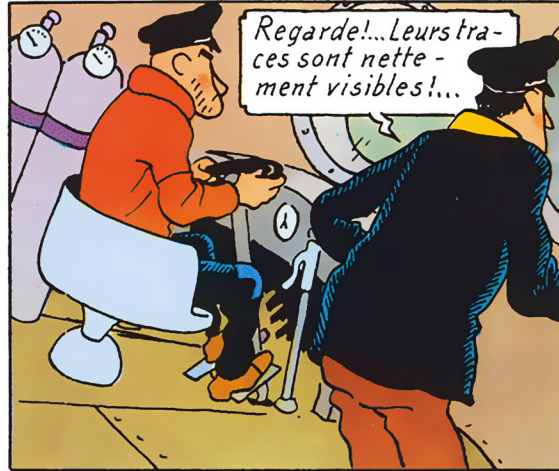

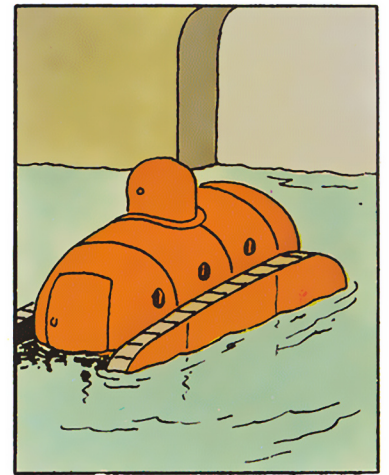

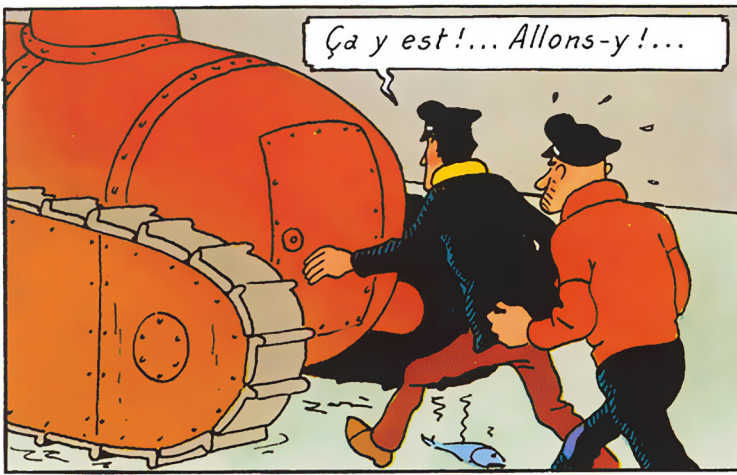

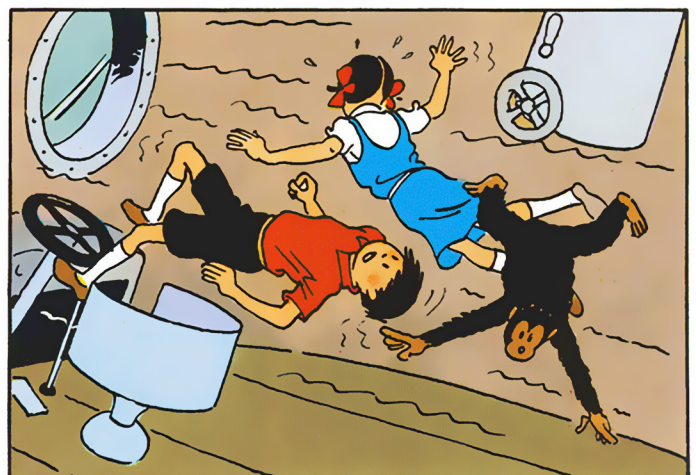

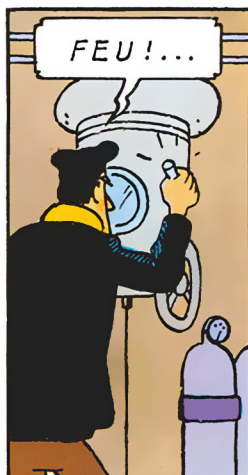

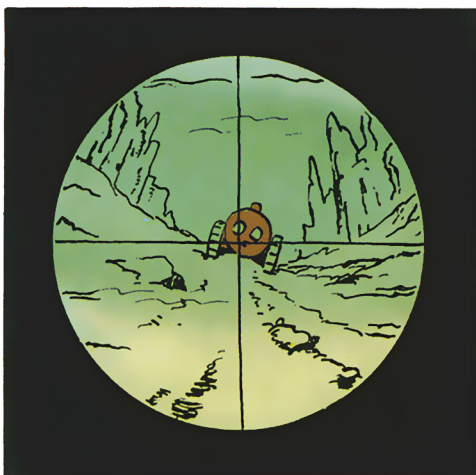

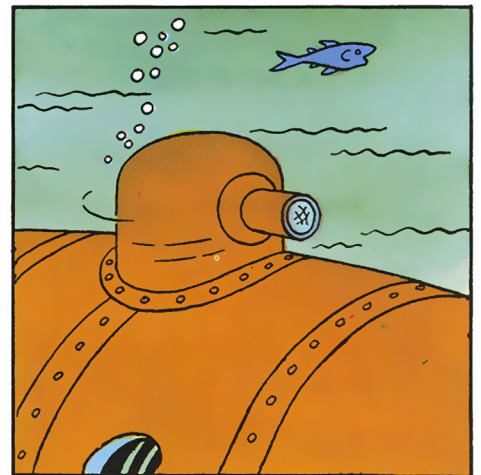

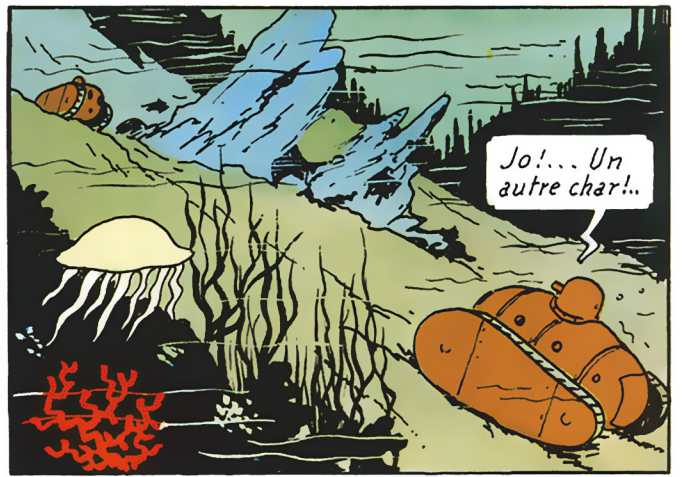

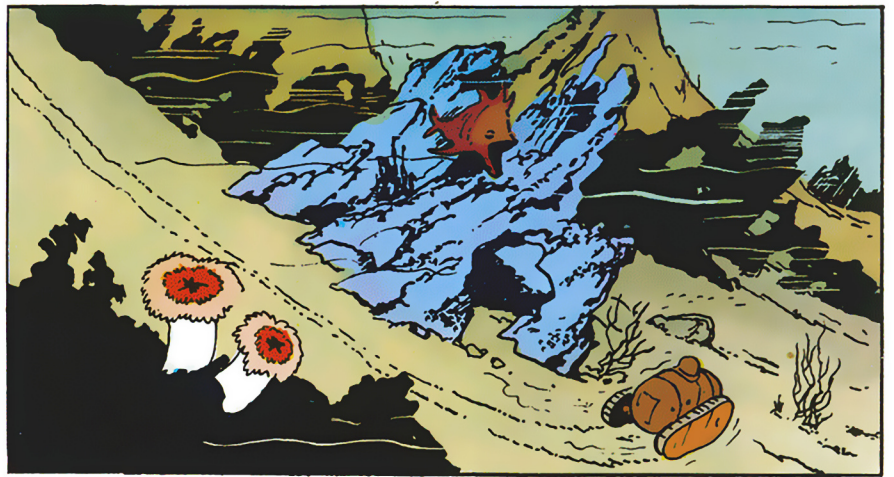

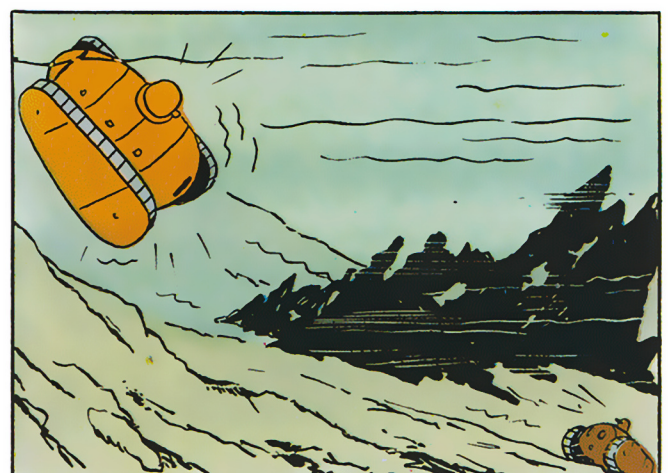

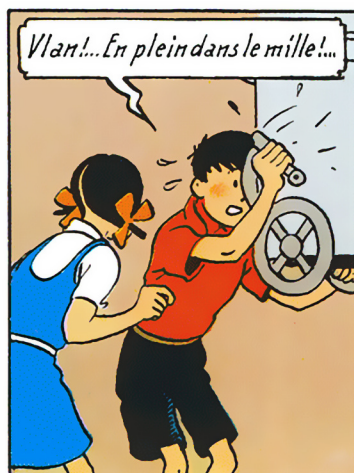

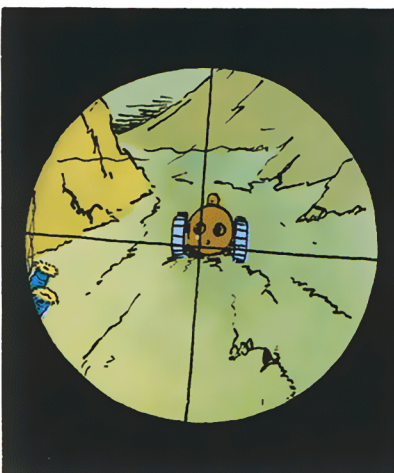

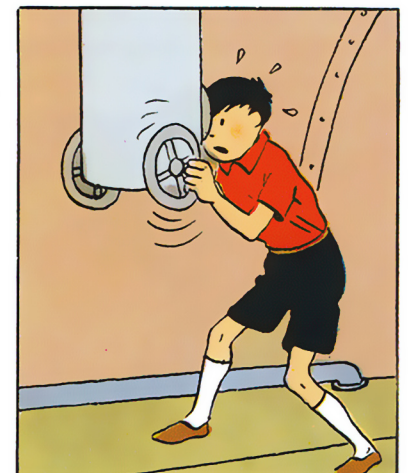

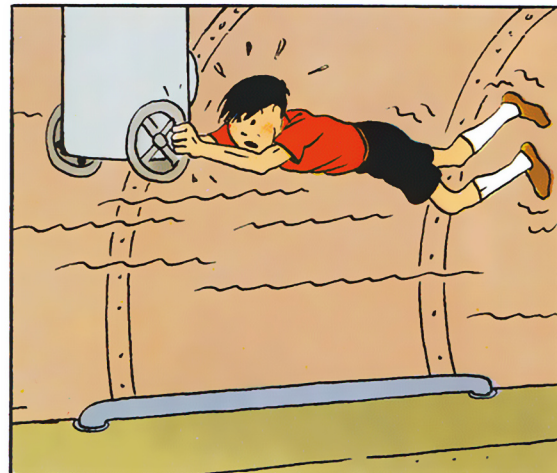

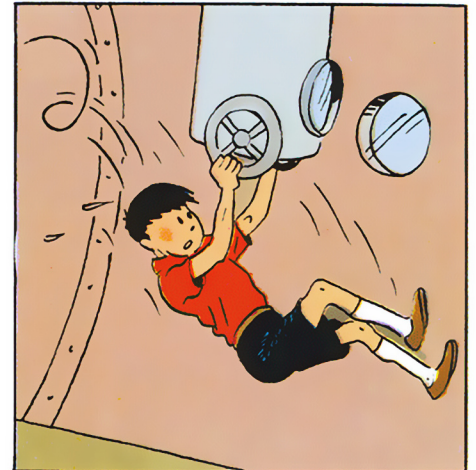

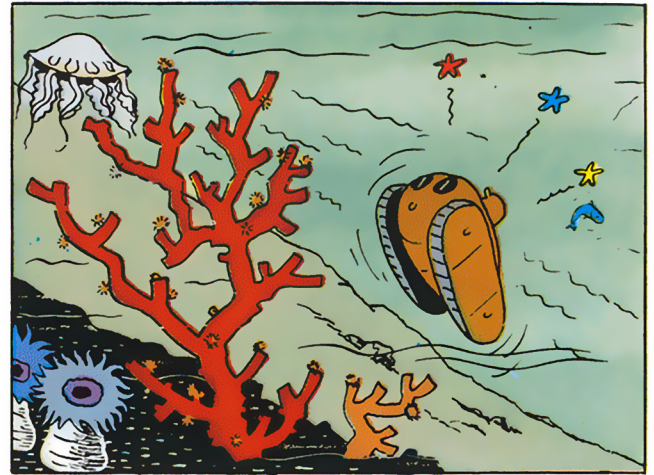

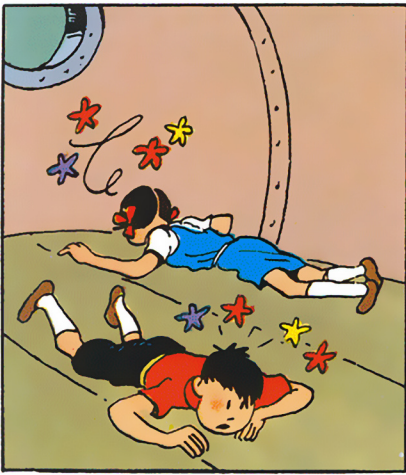

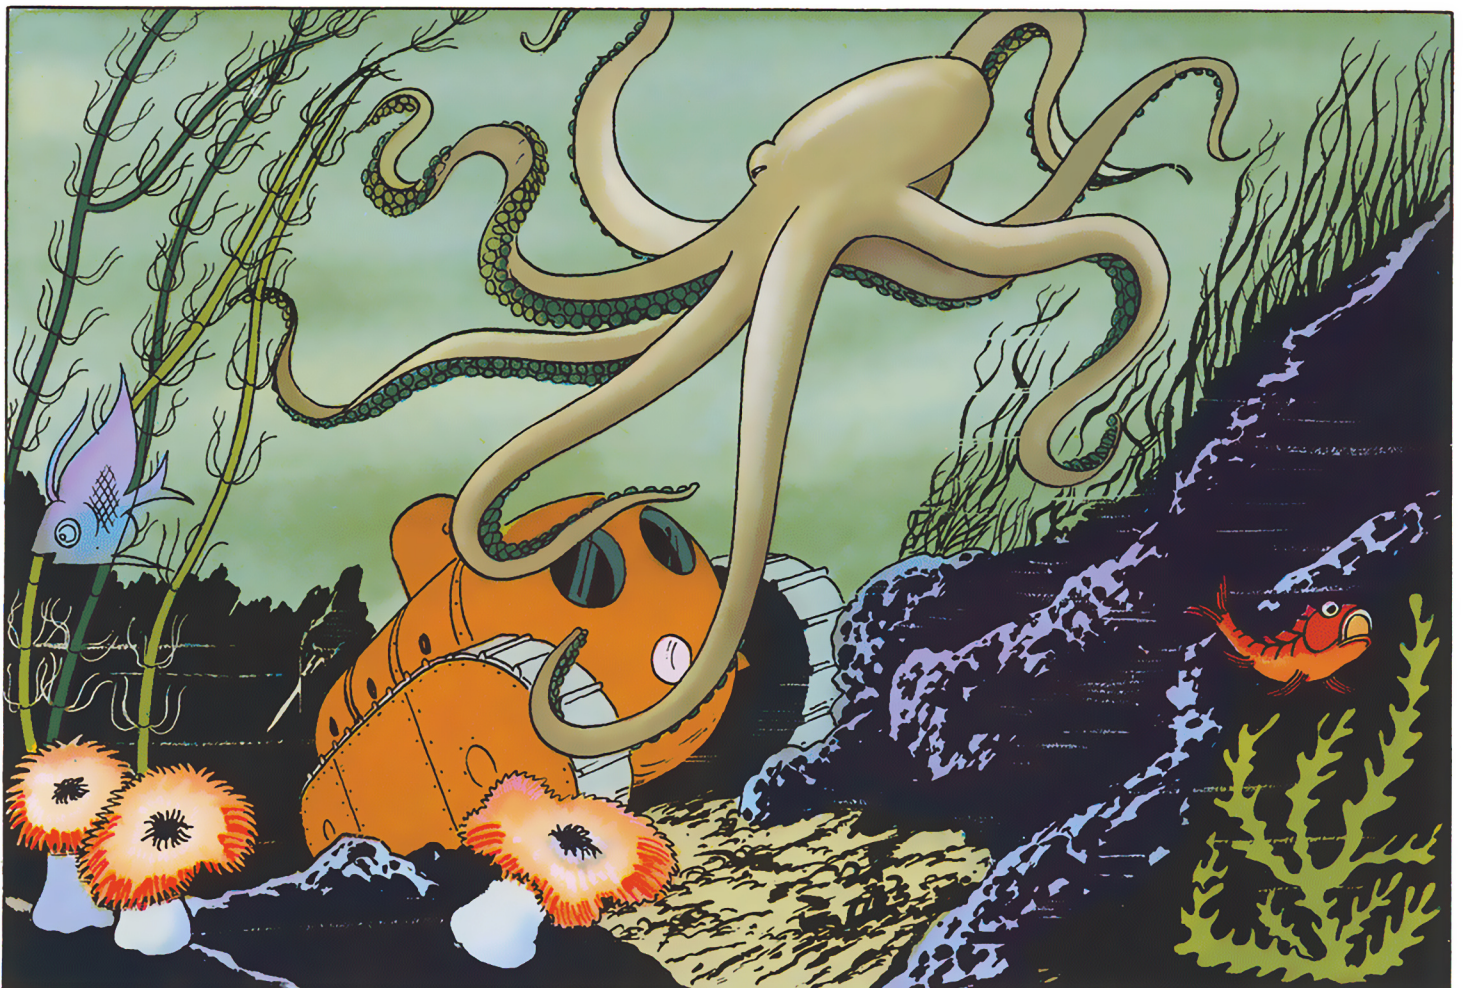

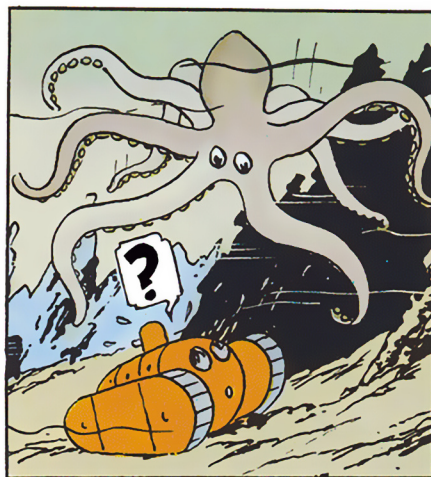

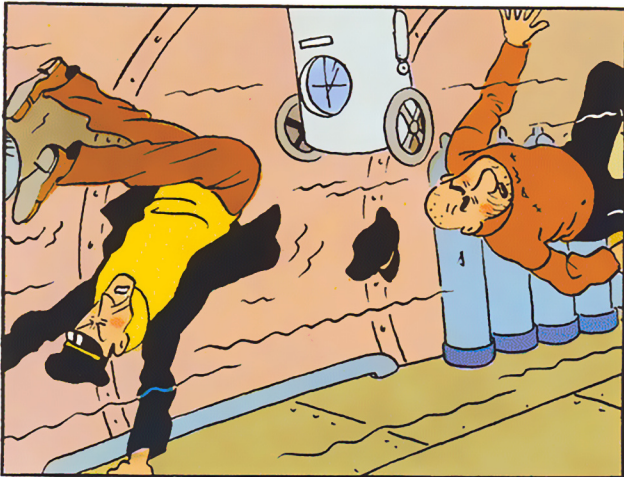

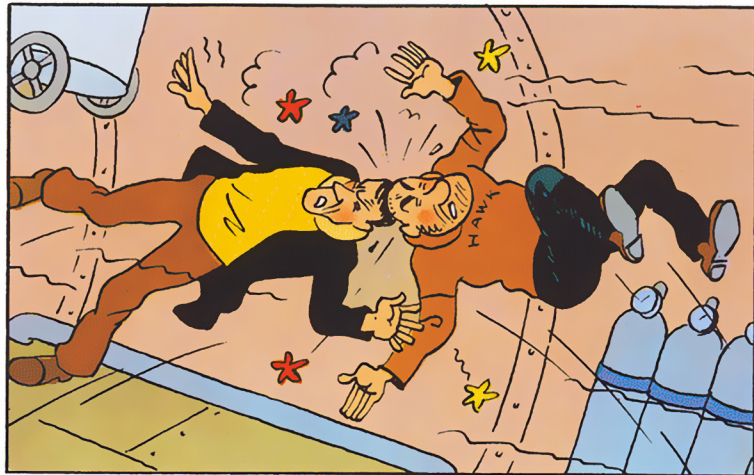

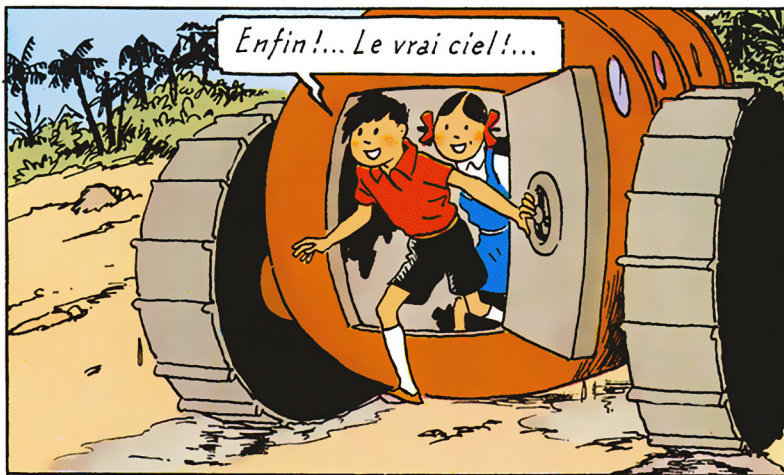

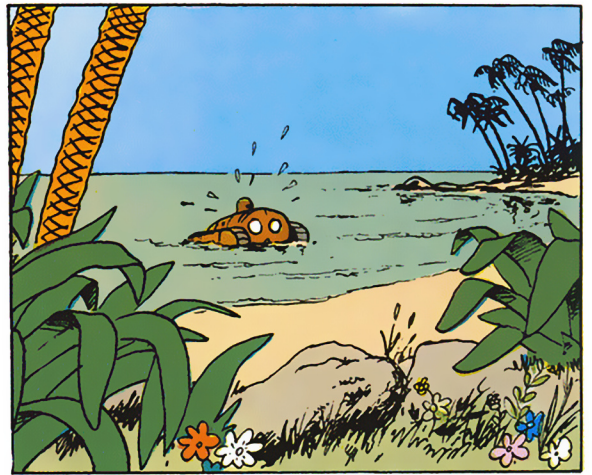

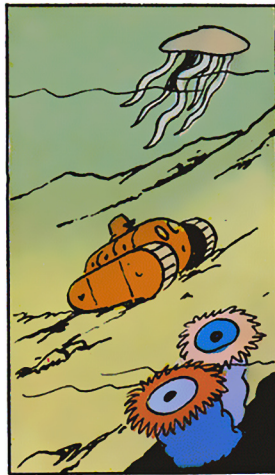

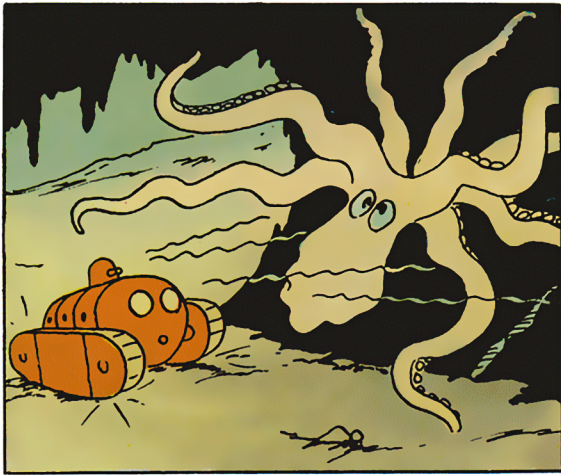

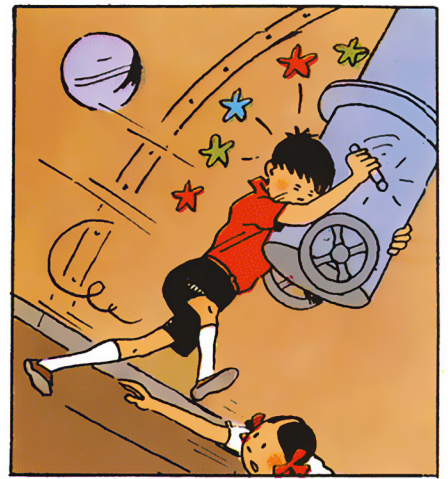

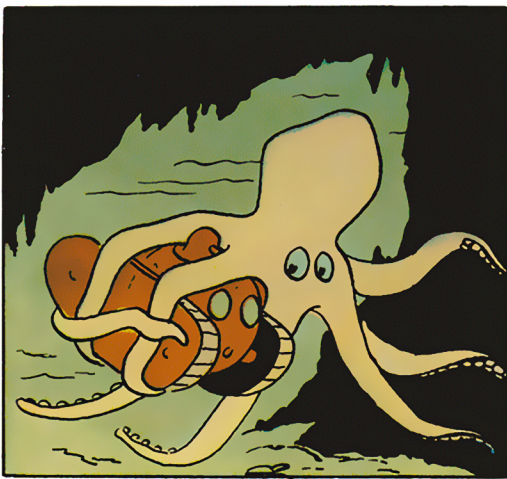

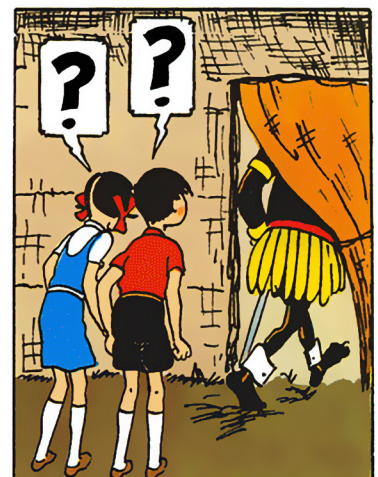

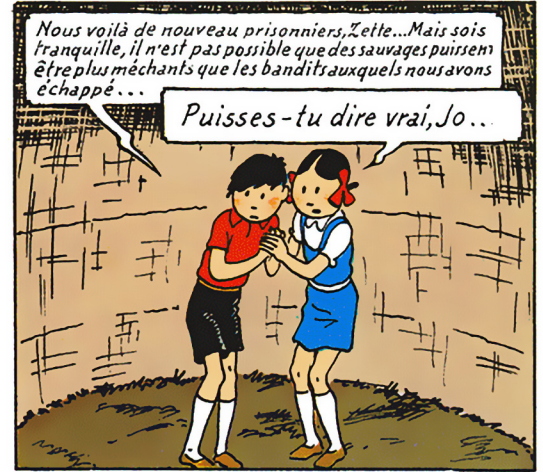

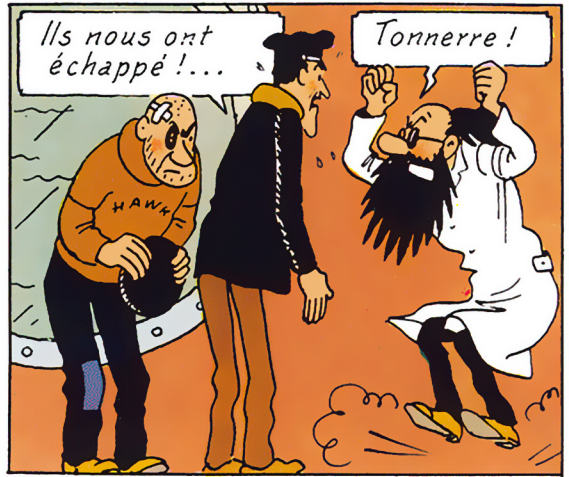

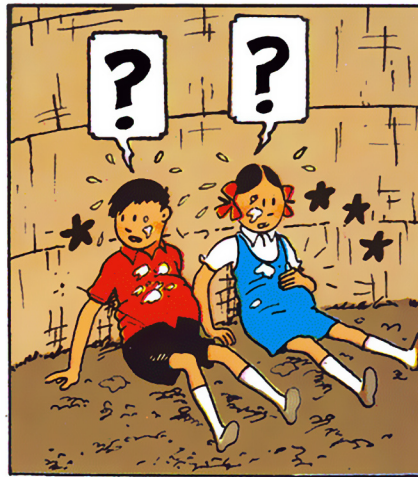

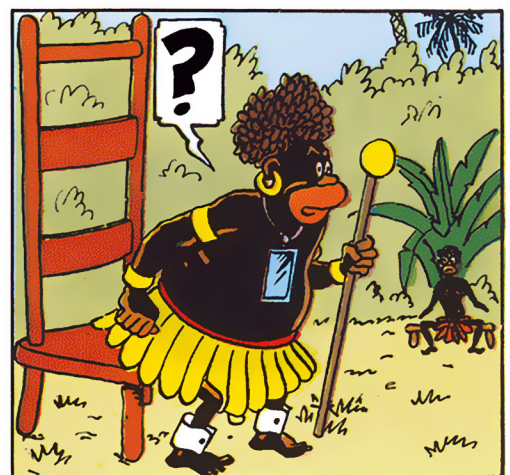

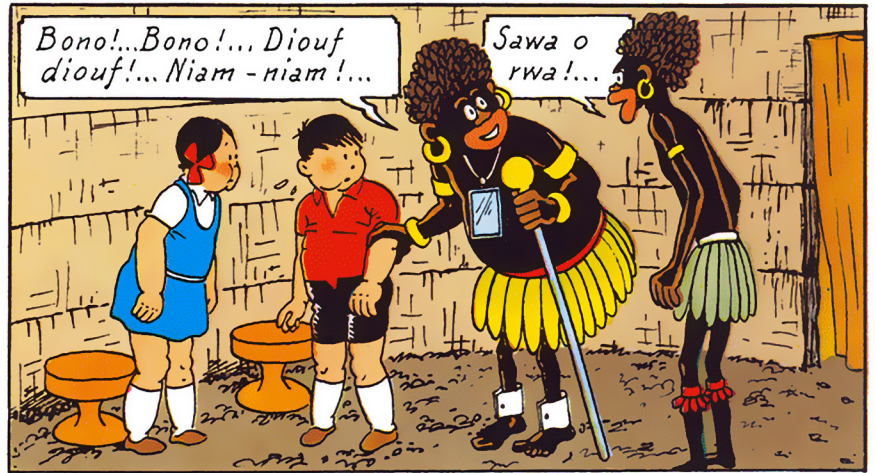

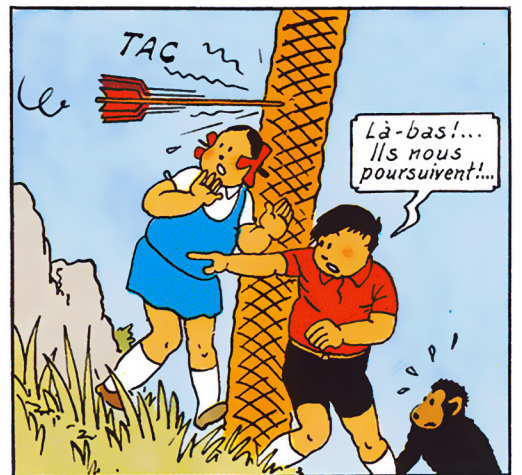

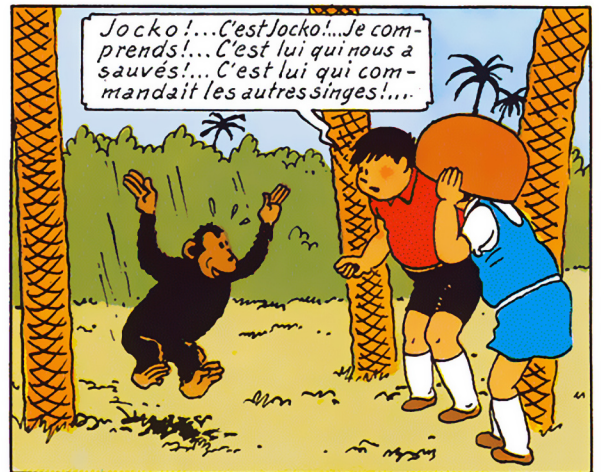

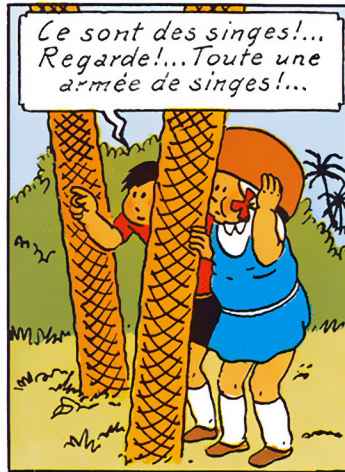

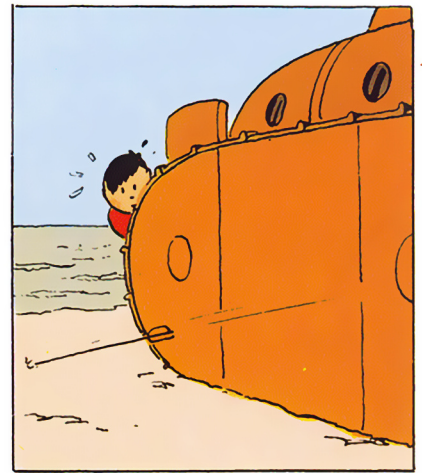

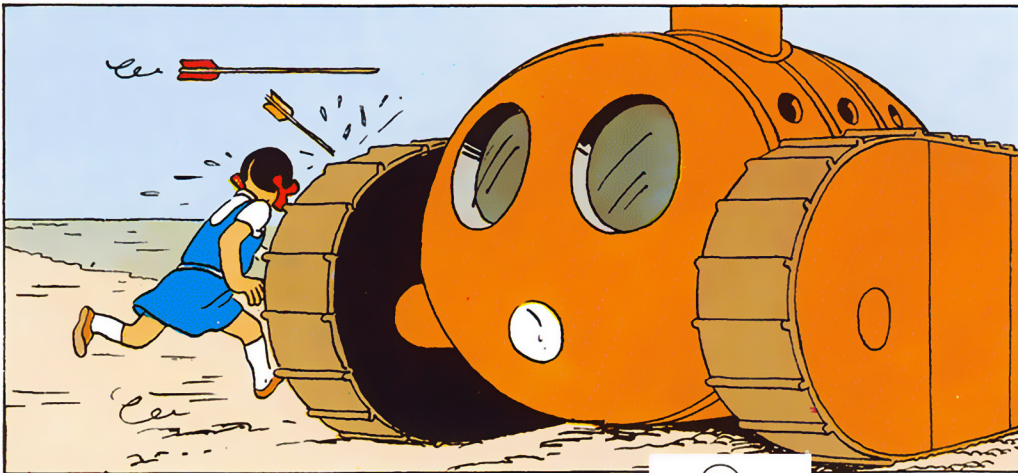

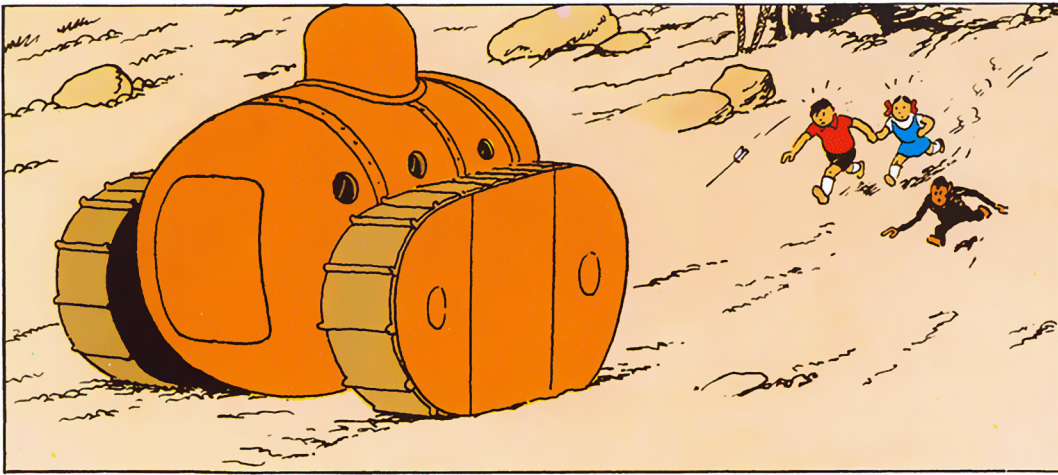

*Quelques jours après...*
